facilities

swimming pool, sauna & whirlpool

Experience blooming splashing in the pool and whirlpool. On the ground floor of the hotel is the 16 meters long and 1.40 meters deep pool. The pool has a constant temperature of 30 degrees and is equipped with massage jets. Next to the pool is the 6-8 person Finnish sauna, which can be turned on or request (swimwear desired).

lounge terrace

Adjacent to the pool area and surrounded by trees and dunes blooming hotel has a lounge terrace. With several lovely sunbeds and plenty of sunshine, this is the ideal place to relax after a dive.

restaurant Zandhoeve

The kitchen of restaurant Zandhoeve, led by Roel Oostrum, is guided by our organic vegetable garden and thus by the different seasons. This so-called Hoftuin, where every year about 50 kinds of vegetables and herbs are grown, is an inexhaustible source of inspiration and a wonderful reflection of the seasons for the executive chef and his team.

With this wealth within cycling distance of the hotel, it goes without saying that vegetables are the basis for our dishes. This is reflected in our full vegetarian flora menu. If you still feel like meat or fish, you can choose the fauna menu. For this we work together with carefully selected suppliers. The combination of local ingredients with global spices and cooking techniques guarantees surprising taste combinations.

blooming brasserie

Adjacent to Bergen's most beautiful terrace, the new brasserie of blooming is the perfect place to spend hours. Enjoy a special beer, a delicious hamburger or a fresh salad. The blooming brasserie, with its own kitchen, is a good alternative to the restaurant. The bar is the ideal place to eat and drink, whether this is cozy with a group or intimate with just the two of you. Also try our own blooming beer, the Bergensche Blos. Brewed from 100% organic cereals and water from the sacred spring of Adelbert.

art

Wherever you look, you will come across the work of artists everywhere. We are also proud of a photo series by Cas Oorthuys from the Rotterdams Fotomuseum. Cas made these photos in the days when blooming was still a Volkshogeschool.

bike rental

blooming hotel is an ideal starting point for discovering the dune area between Wijk aan Zee and Petten by bike. Bike junction 48 is located behind the hotel. At the reception desk you can buy a tourist map of the nature reserve. Bicycles can be rented at blooming and you can also park your own bike in our bicycle shed. Prefer something more active?
