blooming red, Tempranillo

La Mancha, Spain 2018

A deep dark red colour. Delicious aroma of cherries, berries and plums and a refined mild spicy taste.

5⁵⁰ • 29⁵⁰

Our organic house wines come from Bodegas Verum, located in Tomelloso, La Mancha, one of the biggest wine production regions in the world. The wine houses philosophy is that the wine should be made in the vineyards, and not, or little as possible, in the cellars.

SPARKLING

blooming Cava, Gran Cueva

La Mancha, Spain 2018

Cava made with a second fermentation in the bottle of 34 months. This together with the 100% Chardonnay composition creates a delicate, characterful Cava.

6²⁵ • 34⁵⁰

Champagne Thiénot Brut

Reims, France

At least 4 years 'sur lattes' matured in the cellars before it comes on the market. Fine pearl with a soft mousse. Delicate and fresh inviting nose. Fine and elegant again in the mouth with hints of apple and pear.
